How to Read the Bible Book by Book

A Guided Tour

The Bible is made up of sixty-six books, written over thousands of years by authors as diverse and distinct as Moses and the apostle John. It's filled with history, poetry, prophecy, songs and hymns, essays, and proverbs. All this can be overwhelming, especially to new readers.

In How to Read the Bible Book by Book, Gordon Fee and Douglas Stuart will instruct you in how to read the Bible as a whole. They examine the "whole" Bible, and then narrow it down to "whole" books, so you will understand how each individual book fits into the complete story of the Bible.

This is a true "readers' guide," in which the authors take you on a guided tour, point out what you are reading, and show you how all the parts fit together into a wonderful and magnificent whole.
